

# SUNY Global Health Research Symposium

Friday, April 22, 9am-4pm

SUNY Global Center, 116 East 55th Street, New York, NY

This hybrid symposium meeting will provide a forum for SUNY campuses engaged in extramurally funded global health research to share their programs and explore opportunities for collaboration. In the morning, a selection of in-country investigators will share research updates; in the afternoon SUNY campus representatives will highlight their on-campus centers/institutes. *This program is supported by the Office of the Senior Vice President for Research of Downstate Health Sciences University.*
