2023 IACUC Meeting Dates and Protocol Submission Deadlines

Due to the time involved reviewing materials prior to distribution to the IACUC Members, all IACUC submissions must be received by the deadline date indicated. Submissions received after close of business on deadline date will be considered for review for the following month's Full Committee meeting.

Note that per federal regulations, the IACUC review CANNOT be expedited or modified despite external deadlines, including funding ([NOT-02-0064](#)). Federal regulations also require a period during which all members of the IACUC must be allowed to review the protocol ([PHS Policy Section IV.C.2](#)). This period is defined by SUNY Downstate Health Sciences University's federal research Assurance and is done to preserve the integrity of the review and ensure the highest standards of animal welfare are kept. Submit [current IACUC protocol forms](#) to: IACUC@Downstate.edu.
