Instructions for Submitting a CTSC Application

Faculty with active, approved IRB protocols may apply for CTSC membership by completing the Application Form below. Note that if you have more than one active IRB protocol, you must submit separate applications for each IRB protocol.

In addition to specifying the PI or co-I named on the IRB protocol, where indicated, you must also indicate the names and roles of key personnel involved in the study (e.g. co-PI, Nurse, Study Coordinator, Nurse Practitioner, Other). SUNY Downstate ID cards of the PI/co-I and key personnel will be programmed to enable swipe card access to the Center during non-business hours..

Please select one of the following options:

□ New CTSC member □ Current CTSC member adding a new IRB-approved study PI Information: Full Name: Academic Title: Department: Work Phone: Pager (if available): E-Mail: Office Location: (include building and room number)

Staff Information:
